Commissioner for Patents

The response filed February 23, 2007 is considered non-compliant. As previously stated in the last communication, applicant's response is confusing. Election in reply to a requirement may be made either with or without an accompanying traverse of the requirement, not both. Thus, applicant is required to elect in total with or without traverse, so that applicant's position is clear on the record. Since the above-identified reply appears to be bona fide, applicant is given a time period of ONE (1) MONTH or THIRTY (30) DAYS from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid ABANDONMENT. NO EXTENSIONS OF TIME under 37 CFR 1.136 (a) will be permitted.
